The Penitent Boy, or Sin Brings Sorrow Daniel Parish Kidder
This touching, old-fashioned story tells the story of a young boy who lied to cover up a mistake, and the soul-searching he went through until he made things right. It is a short story, but one that impresses the importance of telling the truth. It is very much from a Christian viewpoint, and emphasizes the great sin of lying in a way that may seem foreign to many in modern culture. This book is a great teaching tool to help young people develop a tender conscience that will recognizing the value of honesty and the problems caused by stretching, hiding, or outright denying the truth.
