The Quest: The Untold Story of Steve - Book Two and Book Three Mark Mulle
GENRE: Children's Adventure Book Two – The Unfinished Game Steve is pretty sure he’s a hero in the world of Minecraft. But in light of new adversity, he’s having a crisis only a hero could surmount. Why build and rebuild when zombies, endermen, and creepers will only return night after night to destroy all your creations? Why fight these foes when others will only take their place? Steve doesn’t know the answer yet, but he’s not about to let any outside forces control his life. With his loyal canine companion, Growls, at his side, Steve is determined to press onward. Now, however, the hacker who has been tormenting him in recent weeks—a rogue player who seems to be testing him at every turn—has returned and is intent on undoing all of Steve’s progress. Steve has everything he needs to be a hero. Adversity. An arch nemesis. Devastation approaching from all sides. Now, all he needs is to reach out and seize heroism to claim it for himself. A story about perseverance, moral choices, and standing up to bullies—this sequel is an exciting adventure delving the depths of Minecraft. Book Three – The Endings and Beginnings of a Legend Steve is on a course to the End where he is destined to have a showdown with the mysterious enemies that await him in the End. But first, he must defeat the masters among the Endermen. A friend he once mistook for a hacker now guides him, speaking in riddles all the while. At his side is his trusted canine companion, Growls, who has saved his life countless times. Now, however, he must risk losing that life yet again as he draws ever closer to his ultimate fate. Join Steve as he crafts a sea-faring vessel, battles snow golems, explores the risk-laden canopies of a jungle, and delves into otherworldly portals to learn the secrets of the universe and the purpose of his toils. His goal: to collect five Eyes of Ender. To solve the riddles of Herobrine. To face the greatest threats of Minecraft. This third and final chapter in Steve’s story challenges him to continue moving forward despite all odds. Steve will die unless he can become the hero he once believed himself to be, overcoming adversity even in the wake of losing everything he loves.
