Dropping Hell and Embracing Grace: Answering Those Questions They Didn't Want Us to Ask Concerning Heaven, Hell and Hope for the Ultimate Salvation of all Humanity Ivan A Rogers Dropping hell and embracing grace is a call for a reconsideration of the scope of god's recovery plan for his fallen creation. Does he intend to recover all, or will he settle for less than all? That is the question! The author, Ivan A. Rogers, takes the affirmative position on the above issues. He makes a compelling and scripture-based case that, when finally embraced, will result in the greatest reformation of positive change yet experienced by the church Christ founded. Rogers brilliantly takes the reader on a spiritual journey that actually began even "before the world was made." He convincingly demonstrates that God's ultimate objective is the salvation of all humanity from Adam forward to a glorious future of promise. This being true, the doctrine of eternal conscious torture in a so-called "hell" becomes a casualty of God's all-encompassing grace. "Ivan A. Rogers' book is essential reading for everyone who desires to understand God's plan of salvation of all humanity. Boldly tackling the key issues regarding universal reconciliation, this book provides clear, succinct explanations. 'Dropping Hell and Embracing Grace' is solidly based upon Scripture and honors the Word of God above human opinion or religious tradition. Read it -- and be challenged to think deeply about the world-changing grace of our Lord Jesus Christ" (endorsement by Steven Fuson, author of Temple Treasures, also, Kingdom and Dominion.
