**New World Ashes** Jennifer Wilson
After Phoenix, a 17-year-old orphan rogue, sacrifices herself for her loved ones, her world again takes an unexpected turn. She may have forgotten her past, but it hasn’t forgotten her. A war is coming and her role in it will be pivotal. That is... if she survives. “The much-anticipated sequel to New World: Rising.” “The New World series is definitely one of the best dystopia reads that I've come across in a long time!”- Taylor Knight of Biblio Gathering "Intense, Epic and Brutal but with romance and action, Phoenix and Triven are two tough individuals. Bring on the REVOLUTION.”- Kim Hansen "It's the kind of dystopian that gave me a lot of positive nostalgia to when I was first in my crazy dystopian obsession." Emma Giordano of Emmmabooks
