The Religion War

Scott Adams

The Religion War Scott Adams

In this frenetically paced sequel to Adams' best-selling "thought experiment," *God's Debris*, the smartest man in the world is on a mission to stop a cataclysmic war between Christian and Muslim forces and save civilization. The brilliantly crafted, thought-provoking fable raises questions about the nature of reality and just where our delusions are taking us.

With publication of *The Religion War*, millions of long-time fans of Scott Adams' *Dilbert* cartoons and business bestsellers will have to admit that the literary world is a better place with Adams on the loose spreading new ideas and philosophical conundrums.

Unlike *God's Debris*, which was principally a dialogue between its two main characters, *The Religion War* is set several decades in the future when the smartest man in the world steps between international leaders to prevent a catastrophic confrontation between Christianiy and Islam. The parallels between where we are today and where we could be in the near future are clear.

According to Adams, *The Religion War* targets "bright readers with short attention spans-everyone from lazy students to busy book clubs." But while the book may be a three-hour read, it's packed with concepts that will be discussed long after, including a list of "Questions to Ponder in the Shower" that reinforce the story's purpose of highlighting the most important-yet most ignored-questions in the world.

From reader reviews:

Verna Riddle:

Do you have favorite book? In case you have, what is your favorite's book? Reserve is very important thing for us to learn everything in the world. Each book has different aim as well as goal; it means that guide has different type. Some people really feel enjoy to spend their time for you to read a book. They are reading whatever they acquire because their hobby is actually reading a book. Think about the person who don't like looking at a book? Sometime, individual feel need book once they found difficult problem or even exercise. Well, probably you will need this The Religion War.

Nick Peoples:

Have you spare time for a day? What do you do when you have considerably more or little spare time? That's why, you can choose the suitable activity with regard to spend your time. Any person spent their very own spare time to take a wander, shopping, or went to typically the Mall. How about open as well as read a book entitled The Religion War? Maybe it is to be best activity for you. You realize beside you can spend your time with your favorite's book, you can more intelligent than before. Do you agree with it is opinion or you have some other opinion?

Diane Joiner:

Nowadays reading books become more and more than want or need but also work as a life style. This reading addiction give you lot of advantages. Advantages you got of course the knowledge the actual information inside the book this improve your knowledge and information. The details you get based on what kind of publication you read, if you want drive more knowledge just go with knowledge books but if you want experience happy read one with theme for entertaining for instance comic or novel. The actual The Religion War is kind of reserve which is giving the reader unstable experience.

John Flores:

Reading a book to get new life style in this year; every people loves to study a book. When you learn a book you can get a lots of benefit. When you read books, you can improve your knowledge, mainly because book has a lot of information on it. The information that you will get depend on what types of book that you have read. If you need to get information about your review, you can read education books, but if you want to entertain yourself you are able to a fiction books, this kind of us novel, comics, along with soon. The The Religion War will give you a new experience in examining a book.
