VOX Matteo De Longis

- *VOX* is an original graphic concept artbook! A resonance between music and images, the power of rock and electric colors, *VOX* is a rockbook, the place where the graphic universe of Matteo De Longis explodes! The richness of the author's creative universe can be read through the diversity in the explored themes: musical instruments, intense and sensual women, planes, guns, cars — this graphic variety doesn't fail to stimulate and intrigue. Presented in electric yellow transparent packaging the size of an LP record sleeve, this artbook is both lavish and singular.
