This book was created to offer a few moments of tranquility, peace, and serenity to an otherwise busy life within a ‘hurry up’ world. The images are watercolors of imaginary scenes. Focus on the image, read the quotes, then reflect on the words while concentrating on the colors and pictures while you develop your own ideas and thoughts. And most of all – slow down, stop, and ‘smell the roses,’ and enjoy your life for all the beauty around you. These beautiful watercolor photos accompanied by inspirational quotes are a perfect pocket companion to take to the beach, find a corner reading nook, or to sit in the shade in the garden to peruse.
