Went To See The Gypsy Mark Fogarty
Now there's a second edition of Went to See the Gypsy! Are you a Baby Boomer that still rocks? Or a fan of rock's golden era of any age? Do you remember the first vinyl record you bought? Do you still play your favorite songs two or three times in a row? Then you will enjoy Went To See the Gypsy! The title is from a Dylan song about Elvis, and it evokes the journey I've been on since the Beatles took America by storm in 1964. My friends and I were so taken by the Beatles that we made up a fake-Beatles band with tennis racket guitars and lipsynced the songs to the neighbors at a nickel a pop! And I've been following the rock gypsy caravans ever since, from the British Invasion bands on AM transistor radios, to the psychedelic revolution on FM radio, to punk rock on the left of the dial, to alternative music on CDs, and all of it over again on digital!
