The pharmaceutical industry is one of the most flourishing and fastest growing industries in the world for the very simple reason that people get sick. Historically, the pharmacist's main role was to check and distribute drugs to doctors. Their role has changed somewhat in modern times, and pharmacists are now also responsible for advising patients and health care providers on the drugs that they take. They are the middle man between the doctor who prescribes the drugs, and the patient. They also make sure that patients are coping well with the drugs they are prescribed. The modern pharmacist can even prescribe drugs themselves. They have to know all the different drugs, and understand the prescriptions written up by a doctor. This is a lot to learn, so why would anyone want to enter this profession? Being a pharmacist can be very rewarding, both financially and in the ability to help others. Throughout this ebook, we'll discuss what it really takes to enter this prestigious field.
