The Confession (Body Work) Sierra Kincade

The hot and thrilling conclusion to the Body Work Trilogy, following *The Masseuse* and *The Distraction*.

Anna Rossi walked away from Alec Flynn to keep her family and friends safe. But she can't protect her heart from him, no matter how hard she tries.... Time has done nothing to quell Anna's need for Alec. She knows that she did the right thing by walking away; the constant media attention that Alec's been getting for testifying against Maxim Stein and Force Enterprises is evidence enough of that. But no matter how many times she warns herself that Alec is dangerous, she just can't stay away?even after her connection to him once again threatens her life....

Alec knows the evidence he has against Max could stop him from hurting anyone ever again. But when it's revealed that Alec stands to inherit everything from Max's loss, his testimony is called into question?and Max could walk free, putting Anna in harm's way once again. Now he's beginning to wonder if any of this is even worth it?and if he and Anna will ever have a chance at true happiness....
