**The Mohawk People (Native American Cultures)** Ryan Nagelhout
As the easternmost tribe of the Iroquois Confederacy, the Mohawk people were called the "keepers of the eastern door." Their villages were sustained by hunting, fishing, and agriculture, and their people lived in communal dwellings called longhouses. Their lives changed forever with the arrival of European settlers. Readers will learn the history of the Mohawk, including their involvement with the Iroquois Confederacy and their roles in the French and Indian War as well as the American Revolution. The contributions of the Mohawk to modern society, such as the building of the Empire State Building, may surprise readers and encourage them to find out more about this amazing tribe.
