Choices and Illusions: How Did I Get Where I Am, and How Do I Get Where I Want to Be? Eldon Taylor
This fascinating book holds an important key. Whether you're interested in the science of thinking and beliefs, how your own mind works, how others control your thoughts, why things just don't work out in your life, how you can create the life you've always wanted, or on a grander scale, how you can help make the world a better place, *Choices and Illusions* provides insights for all. Simply reading this book will open your eyes to new worlds of possibilities. Once exposed to the illusions most live under and by, you will change, and putting into practice any of these very simple teachings will open the door for you to achieve your highest potential.
Choices and Illusions tells the story of one man's journey into the workings of the human mind and our reason for being. The adventure is every bit as exciting as the best of scientific discoveries. **Eldon Taylor**'s approach is scientific and pragmatic, and his conclusions are inspirational and soul enhancing. Along the journey you'll hear fantastic stories of divine intervention, learn why you think and do what you do not wish to do, and understand the very clear message that it's never too late to be happy and succeed, regardless of your past actions.
