Japanese Erotic Art

Ofer Shagan

Japanese Erotic Art Ofer Shagan

The definitive book on Japanese erotic art or *shunga*

Japanese erotic art, *shunga*, has a long history, with thousands of paintings, prints, and illustrated books produced, mostly from the seventeenth to late nineteenth centuries. *Shunga* literally means “picture of spring”—“spring” being a common Japanese euphemism for sex—and the works celebrate all facets of human sexuality with great candor.

Unlike earlier books that have tended to focus on individual artists, this new publication has a thematic structure, covering the whole spectrum of sexual practice and expression, including adultery and jealousy, voyeurism, orgasm, and violent sex and death. Using images from his own unparalleled collection, Ofer Shagan brings the rich and vast world of *shunga* to modern view, highlighting the messages, symbols, and humor that often appear in the background but are fundamentally significant for understanding the messages in the art.

1,200+ illustrations in color
