Sometimes, letting someone go is the ultimate act of love. Claire has a past full of secrets and heartbreak. Rescued from the edge years ago by Chris, her first love, she put her fears aside and forced him to leave town to pursue his music dreams. They had no idea it would be the biggest mistake of their lives. After a year apart and thousands of miles between them, sexy Adam Parker burst into Claire's life with his awful jokes and profound patience and gradually fixed her shattered heart. Things haven't been easy, but they might just have a future together. But now Chris has returned and he is willing and determined to make Claire's dreams come true - the same way she did when she let him go. With Adam's former girlfriend in the picture, Claire finds herself torn. Both men own a piece of her heart, and one of them will get hurt no matter what she decides. New Adult Contemporary Romance: Due to strong language, drug reference, and sexual content, this book is not intended for readers under the age of 18.
