Burning Desire (Eternal Flames Book 1) Cree Storm, Maggie Walsh
Centuries ago the Phoenix and Dragons were a force no one could penetrate. They fought together, mated together, and worked side by side, and then all that changed. The children of the leaders were dead and war had practically destroyed them all. The fighting stopped and they both went their separate ways.
Daytona was the Captain of the Crystal fire department. He loved his small town and he loved his job. However, what none of the small town knew was that he was also a dragon. Crystal was a small location just outside Denver, and it was also the home to the Phoenix. He had lived amongst them for years, hiding his scent, until the day came that he could no longer keep his secret.
When a fire claims his mother's life, Ethan rushes home. Having your mother being a victim of an arson is not something he was prepared to face, but discovering he wouldn't have to do it alone, should have been a relief. The thing is...that relief came in the form of a dragon, and the town believes that his mate is the cause of all the fires around town.
When the arsonist strikes close to home, Day knows he must clear his name and find the culprit that is now trying to kill his mate.
