Hope for the World: The Christian Vision (Global Christian Library) Roland Chia
Hope is essential to human life. Without hope, humanity plunges into despair, and life can lose all purpose and meaning. Hope energizes people and communities, and also produces forbearance and patience.
In this clear and accessible survey, which incorporates Asian perspectives, Roland Chia shows how Christian hope presses beyond the limits of both secular and religious world-views and confronts the reality of pain, suffering and death in the light of the crucifixion and resurrection of Jesus Christ. It is hope for God, and in God.
