Klaus Vogel on Double Taxation Conventions

Ekkehart Reimer, Alexander Rust

Klaus Vogel on Double Taxation Conventions Ekkehart Reimer, Alexander Rust
Klaus Vogel on Double Tax Conventions is regarded as the international gold standard on the law of tax treaties. This new fourth edition has been completely revised and updated to give you a full and current account of double tax conventions (DTCs).

DTCs form the backbone of international taxation, but they raise many interpretational questions. This market leading work will provide you with the answers.

Based on the OECD MC and Commentary published in July 2014, the book also includes relevant case law and scholarly literature from 2014.

What's new in this edition?

There have been many important developments in this area since the last edition in 1997. The authors discuss these developments and the effect they will have upon practitioners working in this area. They also provide a wealth of new and revised case law, along with the DTCs of emerging countries.

You'll find:

- Reports about major features in the DTC practice of many leading jurisdictions, such as:

1. the DTC practice of Austria, Canada, France, Germany, India, the Netherlands, Switzerland, the UK and the US
2. Sections on divergent country practice covering their national models and networks of bilateral DTCs

- Thorough analysis of the OECD and UN model, as well as the implementation of these models in practice
- Coverage of a full range of the latest tax treaties around the world, including important treaties between OECD and BRICS countries

This new edition continues to reflect the unchallenged role of the OECD. The OECD MC, accompanied by the official Commentary, guidelines, reports and other recommendations, has sustained its position as the most important legal instrument in the area of DTCs.

On occasion, the UN MC and Commentary diverge from the OECD texts. When this happens, the authors deal with the specifics of the UN MC in separate annotations and analyses, explaining and making sure you understand the differences.

How this will help you:

- All the information you need to confidently advise on issues such as the taxation of income, taxation of capital and the elimination of double taxation
- Know that your advice to clients is based on the most up-to-date and respected information available, from an outstanding team of editors and authors

The editors, Professors Ekkehart Reimer and Alexander Rust, have worked with the late Professor Vogel as well as a new international team of top experts to completely update and enhance the content.

From reader reviews:

Marcia Eberhart:

Information is provisions for anyone to get better life, information these days can get by anyone at everywhere. The information can be a expertise or any news even a huge concern. What people must be consider when those information which is inside the former life are challenging be find than now's taking seriously which one would work to believe or which one often the resource are convinced. If you get the unstable resource then you get it as your main information you will see huge disadvantage for you. All of those possibilities will not happen inside you if you take Klaus Vogel on Double Taxation Conventions as the daily resource information.

Ryan Brown:

People live in this new moment of lifestyle always make an effort to and must have the spare time or they will get great deal of stress from both everyday life and work. So , when we ask do people have extra time, we will say absolutely of course. People is human not really a robot. Then we inquire again, what kind of activity have you got when the spare time coming to anyone of course your answer will certainly unlimited right. Then do you try this one, reading books. It can be your alternative within spending your spare time, often the book you have read is Klaus Vogel on Double Taxation Conventions.

Patrick Richards:

Reading can called imagination hangout, why? Because if you are reading a book especially book entitled Klaus Vogel on Double Taxation Conventions your thoughts will drift away trough every dimension, wandering in most aspect that maybe unfamiliar for but surely will become your mind friends. Imaging each and every word written in a e-book then become one web form conclusion and explanation in which maybe you never get just before. The Klaus Vogel on Double Taxation Conventions giving you one more experience more than blown away your thoughts but also giving you useful information for your better life on this era. So now let us demonstrate the relaxing pattern is your body and mind will likely be pleased when you are finished looking at it, like winning a game. Do you want to try this extraordinary wasting spare time activity?

Albert Chesson:

As a pupil exactly feel bored to help reading. If their teacher asked them to go to the library as well as to make summary for some reserve, they are complained. Just very little students that has reading's spirit or real their hobby. They just do what the instructor want, like asked to go to the library. They go to at this time there but nothing reading seriously. Any students feel that studying is not important, boring as well as can't see colorful pics on there. Yeah, it is to become complicated. Book is very important to suit your needs. As we know that on this period, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. Therefore , this Klaus Vogel on Double Taxation Conventions can make you

experience more interested to read.
