A trained dog is an amazing companion for life. A well-trained dog will make your life more joyful and won't embarrass you by doing meaningless things when you invite relatives or friends to your home. When you were young adults taught you life lessons to become a better person; now it's your turn to train your puppy to become a companion for life.
An untrained puppy is only motivated by pure animal instinct and unrestricted, uncontrolled love for you. Your puppy doesn't understand that he shouldn't poop on the floor or on the bed or jump on you every time he sees you or not to disturb your neighbor's precious rose garden.
Often people hire a professional to train their puppy, but with the help of this book you don't have to hire anybody and can easily train the puppy yourself. You only have to spend 15 minutes a day to train your puppy. Divide the training time into sessions of a few minutes each and make it easy for you and your puppy.
