A STANDALONE ALIEN ROMANCE!!!

Reina Sierra has never thought of herself as a hero, but there comes a time that she has to realize that fighting is the only way. Growing up, she was taught to turn the other cheek, but seeing people suffer needlessly only fuels her into action.

She knows that her decision will never be fully accepted by her people. They are known to dominate around the globe and they take what they want from any planet that gets in their way. Their alliance with those other planets that desire obedience only makes that rage inside of her turn into the fighting spirit of a space marine.

Her blood lust is only tamed by the heat of a male companion. She finds that out quite unexpectedly with the general and commander of the Allied forces of earth. His name is Commander James Tanner.

At first, he sees Reina, as part of the problem and not the solution. Once he sees her in action, he begins to think that she is something of a sought after commodity.

James wants to help, but her insatiable need for him might ruin their plans for being the heroes that will ride to the rescue.
