The Getting Better Book is a coloring book for children in the hospital or who are recovering from illness. Coloring and writing are great for relaxation and coping. This book contains many different designs and patterns for you to explore! This book is appropriate for children ages 5+. Designs range from simpler to more complex, so there is something for everyone! Journaling pages provide room to explore feelings, and the lines are big enough so that you don't have to worry about handwriting. If you would like to donate this book to a charity or hospital, please contact the author at editor@turtlemoonpress.com so we can discuss customizing the cover and interior to meet the needs of your project. I would love to dedicate this book in honor or memory of a loved one dear to you. This edition of the book is dedicated to Renee Dayan, a beautiful young lady.
