David Boies

Courting Justice: From NY Yankees v. Major League Baseball to Bush v. Gore, 1997-2000 David Boies New York Yankees v. Major League Baseball; General Westmoreland v. CBS; FDIC v. Michael Milken; United States v. Microsoft; Bush v. Gore. In each of these landmark cases, one man, David Boies, has held center stage.

Dubbed by the New York Times "the lawyer everyone wants," Boies has indeed been courted by government and major corporations alike, and by a host of the famous and powerful. His clients have included Calvin Klein; Don Imus; George Steinbrenner; and Garry Shandling, as well as companies such as DuPont; Altria; Lloyd's of London; and American Express. He has won record-breaking damages for consumers in cases against Sotheby's and Christie's and from major pharmaceutical companies worldwide, for price-fixing. His combination of legal know-how, meticulous preparation, and high-risk tactics at trial has earned him the sobriquet "the Michael Jordan of the courtroom."

Written in the straightforward, sympathetic style that characterizes his courtroom presence, Courting Justice examines the varied clientele, behind-the-scenes dramas, and eleventh-hour strategies that have catapulted Boies to the top of the legal profession. His memoir ranges from his now-famous deposition of Bill Gates to the media-saturated battles of defending Vice President Al Gore during the 2000 Florida recount frenzy. when for days on end it was this one laconic nonpolitician who was asked to explain to the American people how their president was being decided.

Through gripping accounts of some of his most notable cases, Boies brings to life not only his high-profile battles in and out of court but the details of his own life, from an unassuming boyhood in small-town Illinois and adolescence on the streets of Compton, to his brief career as a cardsharp (which helped hone his photographic memory), his lifelong fight with dyslexia and the lessons he learned in law schoolsone of which he was asked to leave.

Inspiring, revealing, and compulsively readable, Courting Justice is an insider's look at the American legal system, highlighting both its strengths and its weaknesses, the ways it can be abused and the ways in which, at its best, it defends our liberties.
