EPISODE 6 OF 8: Discovering NBS Agent Arthur Hall has been keeping an eye on her, Agent Felicity Wilson shows him the picture she found of Agent Sullivan at her parent's wedding. Unable to make sense of his connection to her long-lost father, Felicity continues her undercover work with The Syndicate. Doing so, she learns her new boss, Mr. Lennox, is after something inside TriMark, the New York medical lab where she and her fellow NBS recruits bungled their first assignment for the agency. Alarmed, she relays the news to Agent Hall. The pair soon discover evidence making them suspect the recruits' assignment was compromised by someone within NBS. Meanwhile, desperate to escape her role as an NBS agent, coding genius, and mathematics professor Dr. Leah Carlsson is hard at work trying to cripple The Syndicate in exchange for her freedom. With her plan in place, she learns The Syndicate's Project Tessarap may have greater implications than she anticipated. As each piece of the puzzle falls into place, pointing to the likelihood of a rogue agent within NBS, Agent Hall must rally the new agents for what may be their third and final assignment ...

-- ABOUT THE SERIES: NBS agents are trained for one purpose: bringing down The Syndicate, an international crime organization aimed at profiteering by keeping countries at war with one another. When an NBS agent is murdered shortly before her first assignment, five new recruits quickly realize the agency they're working for may not be as trustworthy as it seems, forcing them to make a pact in order to survive. Can the new agents stay alive long enough to uncover the truth behind their fellow recruit's death? Or is finding answers hidden deep within both organizations tempting enough to make one of them break the pact?
