Av Monographs 183-184: Spain Yearbook 2016 edited
As every year, the Spain Yearbook 2016 gathers the best buildings completed in Spain during the past twelve months: a selection of 24 works that come to confirm the good health of Spanish architecture, in spite of the crisis that still persists. The volume includes works like the Royal Collections Museum by Tuñón & Mansilla and the Giner de los Ríos Foundation by Amid_cero9. In this years selection, prominent figures like Rafael Moneo, Francisco Mangado, Nieto & Sobejano, and Carlos Ferrater appear alongside new young teams, like the Sevillians that form BaKpak, the Cáceres office Losada García, and the Barcelona team Calderón-Folch-Sarsanedas.
