Wilbur Smith

Birds of Prey - Courteney Family Adventures (Vol. 1 and 2) [UNABRIDGED] (18 Audio Cassettes/27 Hours) Wilbur Smith
The author of The River God and The Seventh Scroll turns his hand to swashbucking adventure on the high seas. Swashbuckling adventures at sea and on land highlight Smith's latest (after The Seventh Scroll), a number-one bestseller in England that's likely to climb the charts here. Set along the African coast during the mid-1600s, this fierce and bloody yarn features Hal Courteney, a classic seafaring hero in the making. The young sailor has been raised under the stern tutelage of his father, Sir Francis Courteney, and the somewhat gentler guidance of his African-born mentor, Aboli. Word of a truce between England and Holland doesn't reach Sir Francis in time to prevent him from capturing a treasure-laden Dutch galleon. Falsely accused of piracy, the Corteneys soon have more enemies than they can handle, including the insatiable libertine Katinka van de Velde, who sets her sights on the Courteney charge. Hal's coming-of-age is predictably spiced with romance, sea battles, imprisonments, daring escapes and an exotic voyage from Southern Africa to the Red Sea; even buried treasure and the Holy Grail figure into the plot, as befits a tale of uncompromising good guys and their irredeemably evil enemies. Smith's depiction of the African coast, and of life aboard ship, is vivid and believable.
