How to Look After Your Human: A Dog's Guide Maggie Mayhem, Kim Sears

There are plenty of guides out there for humans about training their dogs - as if humans have ever been the ones in charge. One dog has at last agreed to share the insights gained through years of hard experience: Maggie Mayhem has trained some of the world's most stubborn humans (including her co-author Kim Sears), and so there is no better canine to explain the complexities of human behavior and guide you through the ownership journey. *How to Look After Your Human* includes:

- tips and techniques on everything from choosing the right human for you, to managing their diet and instilling a mutually beneficial exercise regime

- a guide to deciphering human language, including which words you should be paying attention to (very few) and those you should ignore entirely (rather a lot)

- advice on the vexed issues of fancy dress (canine) and personal hygiene (human)

Written with Maggie's signature wit and wisdom, *How to Look After Your Human* is the perfect gift for dogs looking to build that unique bond with their humans. The text is accompanied throughout by bright, quirky artwork from critically acclaimed *Penguin in Peril* creator Helen Hancocks.
