Math Callenge the Singapore Way: Grade 3 Marshall Cavendish Education
Math Challenge the Singapore Way Grade 3 is part of a workbook series that provides an enhanced learning experience for students seeking challenges beyond the classroom's textbook, allowing students to progress at an individual pace that supports their mastery of mathematics. Based on the Singapore Math syllabus, these exercises will enable students to improve on their thinking and problem solving skills. Complete with tests and an answer key for students to check their work, the workbook is divided into two levels designed to build upon each other: level 1: introductory exercises and level 2: challenge questions. Grade 3 topics include: numbers to 10,000, time, money, addition & subtraction, angles, length, volume & weight, multiplications & division, scaled picture & graphs area & perimeter and fractions. The Math Challenge the Singapore Way Series (available for Grades 1-5) is a fantastic set of supplementary workbooks for students ready to extend their mathematics learning with more advanced problem-solving.
