New Hampshire 5th Grade Math Test Prep: Common Core Learning Standards Teachers' Treasures

Our 2nd edition New Hampshire 5th Grade Math Test Prep for Common Core State Standards is an excellent resource to assess and manage student's understanding of concepts outlined in the Common Core State Standards Initiative. This resource is formatted into three sections: Diagnostic, Practice, and Assessment with multiple choice and open questions in each section. The material covered includes ***emphasis on representing and solving problems by developing fluency with addition and subtraction of fractions, and developing understanding of the multiplication of fractions and of division of fractions in limited cases (unit fractions divided by whole numbers and whole numbers divided by unit fractions); extending division to 2-digit divisors, integrating decimal fractions into the place value system and developing understanding of operations with decimals to hundredths, and developing fluency with whole number and decimal operations; and developing understanding of volume.*** These standards are covered extensively by the practice problems. This book contains over **600 practice problems** aligned to each Common Core State Standard. In addition the book contains an answer key to practice problems.
