Rosewood

Mr Johnny L. Jones

Rosewood Mr Johnny L. Jones
Rosewood came from an idea that came about as a way to keep myself entertained. I enjoyed the story to the point that I decided to write it down. The story is about the romance of two people, Brad and Beth, who were set up by a mutual friend. Their interactions with each other, their family, their children, and their friends which were born out of their love for God and each other, set them on a journey that nether one expected. Their daughters are starting their first year of college and Brad is taking a look back over his life with Beth. I asked a friend of mine, who is a woman about 50, to read Rosewood and she told me that she enjoyed it and would recommend it to her friends. This is why I decided to publish Rosewood.
