Pain. How does one deal with that deep down, tragically destructive pain that comes when he does what he sincerely believes God would have him do, only to watch his world crumble? In this book I share about our experience of adopting a child and dealing with the deadly syndrome labeled "Reactive Attachment Disorder." It is a simple label-but the consequences of this syndrome are far reaching. We claim the promise that "All things work together for good to those who love Him and are called according to His purpose." Yet, there remains that question. Can His love truly redeem even this situation?
