Aidan Chambers

Breaktime & Dance on My Grave (The Dance Sequence) Aidan Chambers
In *Breaktime*, Ditto challenges Morgan to prove that literature is crap and triggers off a chain of events to alter his outlook of life forever. Ditto faces a series of charges from Morgan against literature: that all fiction is Done. Finished. Dead; a sham and a pretence. He undertakes faithfully to record a life in the week of Ditto - with all the chaos of reality thrown in - and his literary creation reveals more about himself than he originally bargained for.

In *Dance on My Grave*, life in his seaside town is uneventful for Hal Robinson, nothing unusual, exciting or odd ever happens to him - until now that is. Until the summer of his 16th birthday when he reaches a crossroads of choices in life. He foolishly takes a friend's boat for a day's sailing, gets into difficulty and is rescued by Barry Gorman. Their ensuing relationship results in a tumultous summer for Hal as he experiences the intense emotions of his first teenage love.
