Ezekiel (The People's Bible) Kieth Kuschel
Many people have found The People’s Bible to be the most reliable Bible commentary series published. It’s the laypeople’s Bible—down to earth, clearly written, easy to read and understand, filled with practical and contemporary applications. Each volume includes that book’s complete text from the NIV Bible. The Christ-centered commentaries following the Scripture sections contain explanations of the text, historical background, maps, illustrations, and archaeological information. The People’s Bible commentaries are great for personal or group study.

The prophet Ezekiel was among the first Jews to be deported to Babylon. Many thought that God had abandoned his promises by allowing the captivity. Through the words, actions, and visions of Ezekiel, God reminded his people of their sins and promised that a faithful remnant would return so that all his promises concerning the Messiah would come to pass.
