Reef Fish in a Pocket - Tropical Pacific

Reef Fish in a Pocket - Tropical Pacific
A waterproof companion to Reef Fish Identification (Tropical Pacific) for divers and snorkelers. 22 Pages of full colour pictures of all the main species you are likely to encounter in tropical pacific waters. Only 12 cm (5 inches) wide by 15cm (6 inches) high. Very thin - only 2mm thick. Printed on waterproof tough paper that is almost impossible to tear (believe us we tried!) and so is designed to be completely submerged. While diving daily, the booklet can be left wet in your BCD pocket. After your vacation, simply rinse in fresh water and wipe each page dry. These books are pretty tough and are very hard to tear. Corners will not get tatty but the pages will keep a crease if you put one in (they are printed on plastic after all). Try and keep them flat or rolled.
