SHE USE TO BE THE SWEETEST GIRL Linette King
I’ve heard that the saddest thing about betrayal is that it never comes from an enemy. It comes from those you would have never expected it to come from, like your friends and sometimes your family. For Nichole Jackson it came from both.
Amber, Nichole and Bianca had been best friends for a few years but neither of them really knew the other. They all pretty much only shared the information that they wanted them to know. The scariest thing to have in your life is a best friend that doesn’t really like you. With a friend like that, who needs enemies?
Darnell (Murda) Jones runs the streets of Memphis with an iron fist. He prides himself on leaving no stone unturned by killing off any and everyone that poses a threat to his empire. His organization came first until he ran into a damsel in distress, literally. All of a sudden, his focus began to drift away as the overpowering need to save her took over.
When life constantly throws you hardships, it changes you. Follow the She use to be the sweetest girl series to find out how quickly it changed Nichole Jackson.
