Smarter Faster Better by Charles Duhigg | Summary & Action Guide

Do you want to set and achieve big goals?
Do you want to be able to motivate yourself and others?
Do you want to be an innovator, who can create great ideas?

If you answered yes, you need to read this book!

Read it FREE on Kindle Unlimited.

Please note: This is a summary and action guide, and NOT the original book.

This book contains key takeaways and an action plan for how to work better with other people, improve your focus, set and achieve goals, make better decisions, innovate, and actually use data, based on the new bestselling book, *"Smarter Faster Better."* from the author of *The New York Times* smash-hit bestseller, *"The Power of Habit.*

How much more successful would **you** be if you could actually put into action everything you read or learned?

Books like *Smarter Faster Better* by Charles Duhigg can give you the extra edge you need to be successful at work and in life.

However, if you just read (or listen to) the book, but don't remember and put into action what you learned, you won't get that extra edge.

About Fast Guides

We are two hard-working friends, trying to get ahead by watching and learning from people who have achieved the kind of success we want. We work hard in our day jobs, but it feels a lot like running on a treadmill, and sometimes we wonder when we will see real results from our hard work.

Sure, we get a paycheck. But we know that paycheck, and our ability to make an impact could be so much bigger if we could get that extra edge.

So, we decided to create the edge for ourselves, and share it with you (and we're using this pen name so we can keep our day jobs).

Benefits of This Summary and Action Guide

This is not just a summary outline of the book, it's the key information you need to put the book into action. We read each chapter of the book, and then pulled out the most important takeaways you need to use the insights in the original book.

Then, we went the extra mile. We created an action plan so you will have a quick and easy way to actually use what you learned!

What You'll Get in This Book

- Summary of the key points of each chapter in the original book (takeaways).
- 22-point Action Plan to help you use what you learned.
