Wolf Totem: A Novel

Jiang Rong

Wolf Totem: A Novel Jiang Rong
China's runaway bestseller and winner of the inaugural Man Asian Literary Prize

Published in China in 2004, *Wolf Totem* has broken all sales records, selling millions of copies (along with millions more on the black market). Part period epic, part fable for modern days, *Wolf Totem* depicts the dying culture of the Mongols--the ancestors of the Mongol hordes who at one time terrorized the world--and the parallel extinction of the animal they believe to be sacred: the fierce and otherworldly Mongolian wolf. Beautifully translated by Howard Goldblatt, the foremost translator of Chinese fiction, this extraordinary novel is finally available in English.
