Connect Economics One Semester Access Card for Money, Banking and Financial Markets Stephen Cecchetti
McGraw-Hill's Connect® for Economics is a web-based homework management system that gives instructors the power to create assignments, practice, tests, and quizzes online, while saving time! Connect provides the problems directly from the end-of-chapter material in Cecchetti & Schoenholtz, *Money, Banking, and Financial Markets*, 3e, so instructors can easily create assignments and tests and deliver them to students. Connect also grades assignments automatically, providing instant feedback to students, and securely stores all student results. Detailed results let instructors see at a glance how each student performs and easily track the progress of every student in your course.
