How to Get Out of Nursing: Using your nursing skills, experience and abilities to land the perfect non-nursing job (Practical Guidebooks for Busy Nurses Book 3) Melanie Nightingale
Did you know that your nursing qualifications and experience can be used to get just about any job you want in your non-nursing dream career?

Every nurse possesses an astonishing range of abilities and skills that are eagerly sought after by employers across an incredibly wide range of non-nursing professions and vocations. Combine these qualities with your personal strengths, interests and passion, and you become an irresistible candidate for any prospective non-nursing employer: if you have a street-smart career change strategy.

In How to Get Out of Nursing Melanie Nightingale shows you how to design and implement exactly that: a strategy for exiting the nursing profession and getting into the career of your dreams, including...

• Working out what it is that you are truly passionate about pursuing as a career
• Dealing with fear, issues of age, money and other barriers
• Working out just what special skills and abilities you have gained through nursing, and how to repackage them for a prospective non-nursing employer
• Building a beautiful resume
• How networking actually works and how to incorporate social media into a career change strategy
• Shining at interviews
• How to turn rejection into a positive event
• Dealing with success!

And much, much more.

Nearly 50% of all nurses worldwide want to leave the profession, but most don't have a career change strategy and don't use their nursing experience to it's fullest potential. Consequently, less than 3% of those who wish to leave actually do so, the remainder staying and simply hoping that their job changes for the better. It doesn't have to be like that for you.

Whether you've been a nurse for 3 weeks or thirty years, if you've lost your passion for nursing and want to get into a dream career that you can feel excited and passionate about, you'll want to make the correct choices right from the start of the career change process. In How to Get Out of Nursing, Melanie Nightingale guides you through the entire career change process, from working out what it is that you are actually meant to be doing as a career right through to successfully getting that dream job and resigning. How to Get Out of Nursing shows that no matter what kind of career you dream about, you can become part of it if you follow the correct career change strategy.
