Problem Solved.

Problem #1: You want to do well on the PSAT, but don't have enough time to study. We get it. Everything you need to achieve your goals on the PSAT is in this book. No long-winded lessons. Just what you need to score higher.

Problem #2: Studying for the PSAT is boring. No kidding. Studying for the PSAT is never going to be a lot of laughs. But the payoff is huge -- and the tools in this book create a straightforward path to your goal.

Problem #3: Everyone has an opinion about how you should study for the PSAT. You probably have a pretty good idea of where you need help. If you already know what you need, jump right in. If not, we can help you create a personalized study plan.

You don't have to put your real life on hold while you prepare for your future.

Why Kaplan Test Prep and Admissions?

When you want advice, you probably ask your friends. Or parents. Or teachers. And each of them can probably give you some good advice about taking the PSAT. So why do you need Kaplan? Because your friends, parents, and teachers probably haven't invested millions of dollars developing realistic practice exams and test-taking strategies. Kaplan has. And when a test changes, we're prepared with the most up-to-date materials.

When it comes to the PSAT, your friends know what works for them, but do they know what works for you? Kaplan has helped millions of students -- all kinds of students, from perfect-score seekers to students who run screaming from algebra problems -- reach their individual goals. More than 65 years of test preparation experience -- it's all in this book.Sign up for our free email newsletter, the College Edge, and we'll keep you posted about college admissions trends and test changes.
