Sexual Disorders: Perspectives on Diagnosis and Treatment

Peter J. Fagan

Sexual Disorders: Perspectives on Diagnosis and Treatment Peter J. Fagan

Sexual disorders may arise from multiple causes. Their clinical assessment, diagnosis, and treatment must take into account the patient's underlying biology, history, and behaviors. Using an approach pioneered at the Johns Hopkins Medical Institutions, Peter Fagan applies the four "perspectives of psychiatry" (disease, dimension, behavior, and life story) to the diagnosis and treatment of sexual disorders.

This book offers therapists an efficient and clinically proven way to organize the range of theoretical methodologies currently available, presenting a framework that is both conceptually cohesive and readily applicable in clinical settings. After an introduction, each chapter offers a case study followed by an analysis based on one perspective methodology as well as a discussion of the clinical implications of that perspective. The book closes with a chapter integrating the approaches. This book will be of interest to mental health care professionals, including psychiatrists, psychologists, and social workers, who treat patients with sexual disorders.

From reader reviews:

Douglas Barlow:

What do you think of book? It is just for students since they're still students or it for all people in the world, the particular best subject for that? Merely you can be answered for that query above. Every person has different personality and hobby for each other. Don't to be pressured someone or something that they don't would like do that. You must know how great and also important the book Sexual Disorders: Perspectives on Diagnosis and Treatment. All type of book could you see on many options. You can look for the internet solutions or other social media.

Edward Capps:

Do you certainly one of people who can't read enjoyable if the sentence chained from the straightway, hold on guys that aren't like that. This Sexual Disorders: Perspectives on Diagnosis and Treatment book is readable by means of you who hate the straight word style. You will find the details here are arrange for enjoyable examining experience without leaving perhaps decrease the knowledge that want to provide to you. The writer associated with Sexual Disorders: Perspectives on Diagnosis and Treatment content conveys thinking easily to understand by many people. The printed and e-book are not different in the content material but it just different by means of it. So , do you nevertheless thinking Sexual Disorders: Perspectives on Diagnosis and Treatment is not loveable to be your top listing reading book?

Rebecca West:

Precisely why? Because this Sexual Disorders: Perspectives on Diagnosis and Treatment is an unordinary book that the inside of the e-book waiting for you to snap the idea but latter it will shock you with the secret that inside. Reading this book close to it was fantastic author who write the book in such remarkable way makes the content on the inside easier to understand, entertaining means but still convey the meaning thoroughly. So , it is good for you for not hesitating having this ever again or you going to regret it. This excellent book will give you a lot of positive aspects than the other book include such as help improving your talent and your critical thinking way. So , still want to delay having that book? If I were you I will go to the book store hurriedly.

Susan Albro:

Is it anyone who having spare time subsequently spend it whole day by means of watching television programs or just resting on the bed? Do you need something new? This Sexual Disorders: Perspectives on Diagnosis and Treatment can be the solution, oh how comes? The new book you know. You are consequently out of date, spending your time by reading in this fresh era is common not a geek activity. So what these guides have than the others?
