Sunset Rivalry: The Caliendo Resort (By The Lake: The Caliendo Resort Book 2) Shannyn Leah
Anya Caliendo left her family and their resort two years ago. She was ashamed and afraid that her family would blame her for some of their father's ruthless dealings. Now she returns to the resort in secret to find files to clear her name, but she doesn't plan on running into her one-time lover, Quinn.
Quinn used to work for Anya's father too and he's out to do the same as Anya – clear his name. When he runs into Anya, they strike a deal to help one another. Quinn wonders how he can trust a Caliendo to keep her word. Will she turn out to be just like her father?
Amid the secret meetings and late-night file searches, Anya and Quinn also fight a connection that seems to draw them closer and closer. Will they be able to clear their names and rekindle a romance or will their past destroy the future they so desperately seek?

This book can be read as a STAND ALONE, but for more enjoyment read them in the order of the series, as all the characters appear in future books.

"Ms. Leah's ability to create romantic scenes that are like wispy clouds, not clearly defined, not graphically detailed, but hinted at and fleeting after she has set the warm up scenes to intense passion. I always trust my imagination, and with Shannyn Leah's guidance, it was sparking and sighing and once again, melting down. That is romance. That is sensual heat. Give us a tease and cut our minds and hearts loose to make the best scenes ever! Kind of brings out our own personal melting point, as if she wrote each scene specifically for each reader." ~Dii Tometender~
