The Knitter's Curiosity Cabinet: 20 Patterns Inspired by Vintage Botanical Illustrations Hunter Hammersen
Curiosity cabinets were collections of treasures-fossils and feathers, plants and paintings, skeletons and statues-assembled to help their owners make sense of the world. Offered here is a knitter's interpretation of a curiosity cabinet. This is a collection, not of rocks and seeds and gemstones, but of fancy edgings, delicate lace, and captivating stitches all brought together to create charming sock and accessory patterns. You're sure to find something that deserves to be added to your own store of knitted treasures.
