Abe Masters seem to have it all from looks, his bank accounts, and profession. He’s surrounded by family and friends that adore him, and he takes pride in being an influential member within the community. Even though all seems good, he has a troubled past and can’t find love. He thought he'd found it in his fiancée, only to find her in bed with her boss. As he’s beginning to feel that all is lost, an optimistically charming woman by the name of Lovely, enters the picture.

The beautiful Lovely Prasad is visually impaired and unfortunately, also romantically impaired. Twelve years prior, she loses her sight and any kind of possibility at ever finding that one true love. However, she remains positive and free spirited which ultimately lands her in the arms of Abe Masters.

As Abe and Lovely’s relationship grows, those closest to them will have their own love trials and tribulations. And unfortunately for Abe, his past transgressions resurface. Some things are hard to let go of and other things just won’t go away, no matter how much of a changed man he is. However, if untold truths, hidden secrets and undisclosed dark pasts were brought to the light it would leave those who are foolishly in love with only one question lingering in their minds; Why should I love you?
