Reap (Book 1): The remnants of the United States of America have been divided.

From five enormous, technologically-advanced cities, the Greaters rule over the Lessers. In the Lesser village of Orchard, things are not as perfect as Abby Kelley thinks they are. When the apple harvest draws near and the Greater's engineered fruits become too much for one village to handle alone, reinforcements from neighboring villages are called upon.

Having to choose between her best friend, whom she has no romantic feelings for, and mysterious newcomer Crew, Abby finds herself in the middle of a harvest that she had no intention of becoming a part of. She becomes involved in a situation that threatens the strict rule of the Greaters, and just might give the Lessers hope for a better tomorrow. But, can she help the Lessers without losing Crew? And if she chooses Crew, will she lose her best friend?

Resist (Book 2): Abby Kelley returns home from the Greater city of Olympus to find that things in Orchard Village are bad, very bad. The Olympian Guard has taken over village affairs. The Lessers are being worked to the bone in the coldest winter Orchard has seen. Villagers are being dragged away for the slightest indication of what they call "resistance." She needs to keep her head down and her mouth shut. But, it's so hard to do when everything within you screams rebellion.

Kyan is coming on strong, trying to convince her to take a chance on him. Shocking news of Crew's activities in Olympus sweeps through the Villages. When Abby is taken away by the Olympian guard, Kyan sends word to Vesuvius for help. But, no one could have predicted their idea of help or what they might expect in return.

Who will be left to pick up the pieces of Abby's heart?

Reclaim (Book 3): The Greaters have ruled over the Lessers since The Fall. They've taken Abby's family. They've taken her friends. They've taken her hostage and threatened the villages.

Enough is enough. Freedom is worth fighting for. Love is worth dying for.

And the Lessers are done taking orders from the Greaters.

Reclaim…the epic conclusion of the award-winning Harvest Saga.

"The Harvest Saga has all the dystopian feels the reader in me desperately craves --a corrupt government, a fierce heroine, teenage angst and a whole bucket of boy trouble that will set you to purr." --Cheer Papworth, Band of Dystopian

"The storyline and the story itself was brilliant, original and interesting. The story was so well imagined and nothing like I have ever read before." --Hayley Guertin, Hayley's Reviews

"Hatred and injustice, love and determination. In this fresh, brand new dystopian world that compels you and demands your attention, feel empowered with every turn of the page and join the resistance." --Sara-Ann Strong, UtopYA Teen Blog
