Well this is it. My Thoughts. My Observations. My TINT's My "Things I Noticed Today" Segments. Many of these devotions, meditations and journals come from my devotions and quiet times sitting before the new day or just recollecting what transpired from my previous day. Reflecting on what was, what is and what might be. Allowing Peace, to be thankful for remembering. The impetus for these writings started as text messages to a listing of 120 people or so. I would write a 120-character message of inspiration and send out daily. Some of my first text messages are sprinkled through this book. Some are witty, fun, a glimpse into the Life of "THE HICKS ESTATE". Guidelines for reading…. Just read. I have left some of the formatting of how it was written when the thoughts occurred to me. Enjoy.
