Burn Suzanne Wright

Part of a small demon lair in Las Vegas, tattooist Harper Wallis lives a pretty simple life. That changes overnight when she discovers that her psychic mate, or 'anchor', is a guy who's rumoured to be the most powerful demon in existence. Compelling, full of secrets and armed with raw sexuality, Knox Thorne is determined to claim her as his anchor, creating a psychic bond that will prevent their inner demons from ever turning rogue.

The billionaire also wants Harper in his bed.

She's not so sure she wants either of those things. No one seems to know what breed of demon Knox is, only that he's more dangerous than anything she's ever before encountered. But he refuses to walk away. And when an unknown danger starts closing in on Harper, it seems that Knox is the only one who can keep her safe.

As Prime of his Las Vegas lair and a successful businessman, Knox Thorne is used to being in control. He's also used to people fearing and obeying him. Harper does neither, which unexpectedly amuses him. Unpredictable, elusive and complex, she draws Knox and his inner demon like nothing ever has.

Knox is used to getting what he wants, and he wants Harper. He'll have her, and he'll keep her safe from the threat that looms over her. Because Knox protects what's his. He won't allow anyone to take her from him. Even if it will mean letting the demon inside him rise and wreak the havoc it was created to make.

From reader reviews:

John Armstead:

Here thing why this particular Burn are different and reputable to be yours. First of all looking at a book is good nevertheless it depends in the content of computer which is the content is as tasty as food or not. Burn giving you information deeper and different ways, you can find any reserve out there but there is no publication that similar with Burn. It gives you thrill looking at journey, its open up your personal eyes about the thing in which happened in the world which is perhaps can be happened around you. You can easily bring everywhere like in area, café, or even in your approach home by train. In case you are having difficulties in bringing the paper book maybe the form of Burn in e-book can be your option.

Joseph Sutton:

Spent a free time for you to be fun activity to try and do! A lot of people spent their sparetime with their family, or their very own friends. Usually they doing activity like watching television, likely to beach, or picnic from the park. They actually doing ditto every week. Do you feel it? Do you wish to something different to fill your own personal free time/ holiday? Could possibly be reading a book can be option to fill your free time/ holiday. The first thing you ask may be what kinds of publication that you should read. If you want to consider look for book, may be the guide untitled Burn can be excellent book to read. May be it might be best activity to you.

Matthew Seifert:

In this period of time globalization it is important to someone to obtain information. The information will make anyone to understand the condition of the world. The condition of the world makes the information better to share. You can find a lot of references to get information example: internet, magazine, book, and soon. You can observe that now, a lot of publisher that will print many kinds of book. The particular book that recommended for you is Burn this book consist a lot of the information from the condition of this world now. This specific book was represented just how can the world has grown up. The vocabulary styles that writer use for explain it is easy to understand. The particular writer made some study when he makes this book. This is why this book acceptable all of you.

Nicholas Ko:

On this era which is the greater person or who has ability to do something more are more important than other. Do you want to become considered one of it? It is just simple method to have that. What you should do is just spending your time very little but quite enough to have a look at some books. One of many books in the top collection in your reading list will be Burn. This book that is qualified as The Hungry Slopes can get you closer in turning out to be precious person. By looking way up and review this e-book you can get many advantages.
