WARNING for YOUNG READERS If you are not old enough to read anything under the sun, then I suggest you run. You can run from anyone, but never from yourself. Eli Bungo has looked for a family to belong to his whole life. Growing up as an Ojibwa native in Michigan on the shores of Lake Superior is a lonely and isolated existence. He longs to fit in but something inside tells him he doesn't. And more than that—he has a spirit within that he doesn't understand. With only his beloved grandfather to guide him, Eli slowly comes to terms with the darkness within himself: a secret both terrible and amazing. As he moves from boyhood to adolescence, Eli is confronted with his true nature. RESTLESS SPIRITS follows Eli's journey from the isolation and safety of his village as he embraces his darkness and sensuality that is awakened as he shifts into his other half. Along the way, Eli takes a job as a wildland firefighter and finds himself smack in the middle of the Hart Mountain Hotshots: the toughest, most bad-ass, and fire crew in the country. The journey is filled with discovery, sweaty liaisons, heartbreak and mayhem. Lace up your boots and join Eli as he navigates the treacherous waters of being in the rough and sexually adventurous world of The Hotshot Brotherhood. Book seven in the series returns many of your favorite firefighters as they join with Eli to fight fire and make plenty of sparks themselves. This story is not for the faint of heart. Its raw passion and danger will thrill and excite you right out of your pants.
