M.E. Logan

Revenge M.E. Logan
The past keeps Kendra McKenna in torment. Her first love is dead and haunts her while the murderer walks free. Kendra might be able to avenge her, but only if she can play a dangerous deception with old enemies. She has no room in her life for distractions.

When reporter Robin Slusher recognizes Kendra among a militia's ranks she can only guess at her motives. Their surprising, passionate affair ended by Kendra's choice, leaving Robin badly bruised. Determined to remain professional, she's certain Kendra's warnings are just more emotional games. Then she asks one question too many…

Caught up in deceit and betrayal—and feelings neither of them trust—can two women work together before they lose everything, including their lives?

From reader reviews:

James McDonald:

As people who live in the actual modest era should be upgrade about what going on or data even knowledge to make all of them keep up with the era that is always change and progress. Some of you maybe will certainly update themselves by looking at books. It is a good choice for yourself but the problems coming to you is you don't know what one you should start with. This Revenge is our recommendation so you keep up with the world. Why, because this book serves what you want and need in this era.

Ramona Wegener:

Your reading sixth sense will not betray you actually, why because this Revenge book written by well-known writer we are excited for well how to make book that could be understand by anyone who all read the book. Written in good manner for you, leaking every ideas and creating skill only for eliminate your personal hunger then you still uncertainty Revenge as good book not merely by the cover but also with the content. This is one reserve that can break don't determine book by its protect, so do you still needing yet another sixth sense to pick that!? Oh come on your looking at sixth sense already said so why you have to listening to another sixth sense.

Trent Gibson:

This Revenge is great e-book for you because the content and that is full of information for you who also always deal with world and still have to make decision every minute. This kind of book reveal it data accurately using great manage word or we can state no rambling sentences inside it. So if you are read it hurriedly you can have whole facts in it. Doesn't mean it only provides straight forward sentences but difficult core information with wonderful delivering sentences. Having Revenge in your hand like finding the world in your arm, facts in it is not ridiculous 1. We can say that no book that offer you world within ten or fifteen small right but this guide already do that. So , it is good reading book. Hello Mr. and Mrs. stressful do you still doubt which?

Virgil Santamaria:

A lot of guide has printed but it differs. You can get it by internet on social media. You can choose the very best book for you, science, comedian, novel, or whatever by means of searching from it. It is known as of book Revenge. You can add your knowledge by it. Without leaving the printed book, it could possibly add your knowledge and make anyone happier to read. It is most critical that, you must aware about reserve. It can bring you from one location to other place.
