**The Mustard Seed: Commentaries on the Fifth Gospel of Saint Thomas** Osho
This inspiring book grants us profound insights into the truly universal nature of Jesus' original teachings. With compassion and humor, Osho-one of our century's leading mystics-presents us with a series of discourses on the Gospel of Thomas. Each of Jesus' original sayings is the "seed" for a discourse for the modern seeker, encompassing all realms of human experience-philosophy, science, religion, birth, death, love, fear, anger and guilt. Taking Jesus' words out of their narrower Christian context, Osho blends their wisdom with that of other religious traditions. The Mustard Seed will both inspire and sustain us on our own individual paths of inner transformation.
