Warren Buffet: Be the Man You Admire Most (Chinese Edition) Wang Nan
He was not born in a noble family, but his family did business for two generations and was rich. Though he had no life burdens, he was born to be connected with wealth. He did not lack money, but he dealt with money since childhood and his dream in childhood was to make a lot of money. After being exposed to the stock, his life path started to change. And even in middle school years, he discovered the course of his becoming rich by snowballs. And he earned more money through sending newspapers, selling game machines and farms. After college, he started his career in the stock market. And through investment in the stock market, he became one of the richest people in the world. And he is Warren Buffet, an investment genius, a businessman that can be separated from money.
